1. Area between rectangles = 160 square m

2. Area between rectangles = 80 square m

3. Area between rectangles = 250 square m

4. Area between rectangles = 140 square m

5. Area between rectangles = 460 square m
6. Area between rectangles = 450 square m

7. Area between rectangles = 370 square m

8. Area between rectangles = 150 square m

9. Area between rectangles = 406 square m

10. Area between rectangles = 352 square m
